An excellent apartment in the residential area of Dedinje and in the immediate vicinity of Beli dvor. The location is at only a few minutes driving distance from the roundabout in Dedinje - commercial zone with a large number of shops, banks, bakeries and restaurants. The building is positioned about a fifteen-minute drive from the city center, and is connected to New Belgrade via the Ada Bridge. The apartment is housed on the first floor of a smaller residential building without an elevator, with several apartments. The apartment has a functional structure, two-side orientation. It consists of a spacious living room with a fireplace, interconnected with the dining area, and has access to a comfortable terrace. The terrace spreads along the entire length of living room. Fully equipped kitchen is partially separated by a counter and has access from the dining area. The corridor leads to the private area - sleeping block, which consists of three bedrooms, two of which are equipped with double beds, and the third has a single bed. Each of the bedrooms is very comfortable and has access to the terrace. There is also a bathroom equipped with a corner bathtub. The master bedroom has its own bathroom with a shower cabin. There are plenty built-in closets in the apartment.The room with the central boiler and heating is also at disposal which is actually a laundry - a pantry.The layout is excellent, so the space is economically used. The apartment is equipped with newer, high-quality furniture and appliances, while the interior has a very simple look. A garage for the tenant is placed in the basement of the building, suitable for two vehicles. Ideal for a family.
