Business premises located in a relatively new office building in a busy location, which is well connected to all parts of the city. An extremely bright space with a two side orientation, it is very easily adaptable to all the needs of modern business. All rooms are air-conditioned and have all available telephone, cable TV and internet installations. The office space consists of several separate parts, connected to each other, forming one unit. On the first level, there is an office space of 500 m² (currently "open space" layout) with a separate entrance and a terrace (semi-covered) of 23 m², which overlooks the courtyard with direct access to it. On the ground floor there is: a fully equipped meeting room of 59 m² (equipped with new modern furniture, two large tv's), an equipped kitchen, dining room and a toilet. The space on the ground floor is entered from the space on the first floor, but it can also function with a separate entrance. There is a possibility of renting additional parking spaces in the garage, which are charged additionally.
