Good apartment in a house on Dorćol, near the Aleksandar Nevski Church, next to the Museum of Science and Technology. A quiet part of the street, in the immediate vicinity of the market, a busy boulevard, while the pedestrian zone is at 10 minutes walking distance. The house has a common yard and consists of three apartments, one on each level. The apartment is housed on the first floor and consists of two bedrooms, a bathroom with a shower. The space is fully equipped with new, modern furniture. The air conditioner is an inverter, so the costs are also very decent, per consumption.
