Nice apartment in Zvezdara area near the city hospital and busy boulevards. A street with public transport, it takes about twenty minutes to drive to the very center of the city. The apartment is housed in a new, well-maintained building, on the second floor and is very quiet because it faces Zvezdara forest. It consists of a living room with a dining room and kitchen, a bedroom and a bathroom with a shower cabin. The living room has an exit to the terrace with a view of the greenery. Fully equipped with new modern furniture. A comfortable apartment in a good location, suitable for one person or a couple.
