Excellent semi-detached house located in the neighborhood right next to the Kosutnjak forest. The settlement is closed, under a ramp. The house has four floors. The main part, on the high ground floor, consists of two half-levels. On the first level there is a guest toilet, a spacious living room with access to a small, beautifully landscaped yard that also has a water fountain. The second half level consists of a kitchen with a dining room, one room that is open to the living room and a glassed in terrace. On the first floor there are four bedrooms and two bathrooms. In the attic there is one open room with a bathroom. In the basement there is a large garage, two separate rooms, a bathroom and a technical room where the laundry, heating system and central water heater are located. The house is new, modern, in excellent condition and in a perfect location.
