An excellent apartment in the city center, on the corner of two busy streets, not far from the Bajloni green-market, the Aleksandar Nevski church, and at only 10 minutes walking distance to Trg Republike. Pre-war building with a nice entrance, without an elevator. The apartment is housed on the second floor and has been completely renovated. It consists of a central living room, a separate kitchen, a terrace, two bedrooms on one side, a third on the other side and a bathroom. PVC carpentry, air-conditioned and very functional, also suitable for business premises. Excellent choice in a good location.
