Exceptional apartment situated in a small building of recent construction, in the lower part of Senjacka slope. A quiet street with low-rise family buildings. The position is excellently connected via the Ada Bridge to New Belgrade, and near to the Fair to the city center. The area is full of greenery. There are several international schools within walking distance of the house, which makes the location highly convenient for foreign tenants. The apartment is housed on the first floor of a small building of three apartments and is very comfortable, alone on the floor. Two-side oriented and completely renovated with one parking space in the garage. The central corridor leads to an open space consists of a living room with a dining room, and the large covered terrace which spreads along entire length of this space, facing the inner courtyard. Next to the entrance is a large kitchen with a breakfast table as a counter facing the living room. The bathroom with shower and pantry is also in this area near the entrance. Next to the living room is the sleeping area, which consists of four comfortable rooms and a bathroom with a corner hydromassage bathtub. The apartment is fully equipped with new, modern furniture, air-conditioned. An exceptional interior in bright colors with details and ambient lighting, makes this apartment comfortable for the life of a modern family. Excellent choice in a good location.
