Excellent penthouse in Novi Dorcol complex. The complex is built according to the highest construction standards and according to the principle of the smart house system. Building with porter and garage space. The apartment is spacious and very bright, with a view of the river. It consists of an entrance area, which continues into the living room that opens onto a 40 m² terrace with a transparent fence and a view of the river. Within the living room there is also dining area, as well as a partially separate kitchen, fully equipped with all elements and appliances. Laundry room is separate and has a water heater and space for a washing machine and possibly drying machine. Three bedrooms and two bathrooms with showers are available. The master bedroom is equipped with a double bed, closet and TV and has its own bathroom. One room is unfurnished but could be furnished according to the needs of future tenants, and the third room, which could also be used as a study, has a large closet. It is furnished with new, modern, designer furniture of perfectly combined style and colors. Suitable for those who want comfortable housing in the city center.
